

PETITION FOR WATER AND SEWER UTILITY SERVICES

Wherefore, _____,
hereinafter called “Property Owner”, or “Petitioner”

whose property address is _____,

hereby petitions the Town of Dundee to extend water and/or sewer service to the property described below:

PROPERTY OWNER is the fee simple owner of record of the following property located in Polk County, Florida, (hereinafter referred to as “the property”) to wit:

Accompanying this Petition is the following documentation:

- 1) A scaled map showing the location of the property in relation to existing Dundee utility lines.
- 2) A certified copy of the property owner’s deed.
- 3) A detailed description of the proposed land use intended for the site.
- 4) An estimate of the daily water and wastewater demands of the subject site. If a housing, commercial, industrial or institutional development is proposed, the requested data shall be prepared by a professional engineer registered in the State of Florida.

PETITIONER understands and agrees to be bound by the following conditions:

1. That all water and sewer construction within the property shall conform to all requirements of the Town of Dundee Utilities Code, including but not limited to the provisions of Section 54.6 of said Code and Article 2B of the Town's Policy and Procedures Manual.
2. That all costs associated with the extension of services to the property within the Dundee Utility Service Area shall be made at no cost to the Town. In the event oversizing of the proposed extension is desired by the Town, Petitioner agrees to enter into a separate agreement providing for such oversizing.
3. That all charges, fees and related costs as approved by the Town Council for providing utility service to the property shall be paid in full prior to acceptance of this Petition.
